Support SB45& HB399!

Missouri law requires insurance to cover therapy for children with autism. Children with other disabilities do not get this coverage. Support this legislation so all children with developmental disabilities can get insurance coverage for their medically necessary therapies!

Dillon is 8 years old and lives in Kansas City, MO. He's clever, full of energy and loves his family & friends. Dillon has autism. His family moved from northwest Missouri to Columbia from 2013-2017 to access therapies.

Through therapies, Dillon was verbal by the age of 4. He continues to do speech and behavioral therapy today. Due to the early intervention he received, he's made lots of progress! His parents hope children with other developmental disabilities will be able to access the same therapies as children with autism.
